Dear Sir,

I hope everything is fine with you

I want to kindly remind you about upcoming branding for the next branch. As per our discussion the date to launch branding was of 10-Feb-2025, I would like to ensure that everything is on the track for successful launch.

Please let me know if there are any updates or materials required from our side to assist in the process.

Thank you for your time and attention on this matter.

Best Regards,
